महित असणे आवश्यक**

## ■ **NMMS Scholarship 2023 – FAQs**

### **1. How can a student get NMMS scholarship?**

**In order to avail benefits under the NMMS scheme, students should be regular students of Class 9. They should obtain at least 55% marks or equivalent grades in the Class 8 examination. Furthermore, to continue receiving the scholarship in Class 11, the students must score at least 60% marks in Class 10. However, to continue receiving the scholarship in Class 12, the students must pass Class 11 in the first attempt with at least 55% marks or equivalent grades.**

## **2. How can a student apply for NMMS scheme?**

**The students who fulfil the eligibility conditions for NMMS scheme can apply for it online through the National Scholarship Portal. The students are required to register on the portal and continue with the application process after logging in to the user dashboard.**

### **3.How can a student check the result of the NMMS exam?**

**The NMMS results for the selection test are declared by each state separately. The list of students selected is released after assessing the scores obtained by them. The students who have scored at least 40% on each test (MAT and SAT) will be selected for the scholarship.**

■ **What is the full form of NMMS exam?**

**The term NMMS refers to National Means cum Merit Scholarship examination. It is conducted every year by the Department of School Education & Literacy under the Ministry of Human Resource Development.**

■ **What is the pattern for NMMS examination?**

**The NMMS examination is conducted in two sections namely MAT (Mental Ability Test) and SAT (Scholastic Aptitude Test). While the MAT examines the reasoning ability of a student, the SAT examines the subject knowledge of the students. The duration of the each test is 90 minutes in which the students have to attempt 90 multiple-choice questions.**

■ **What is the passing marks for NMMS examination?**

**The qualifying marks to pass the NMMS examination is 40% in each MAT and SAT examination.**
